

Professors of Kinesiology

Department of Kinesiology

Job description

The Department of Kinesiology at the Université de Montréal, a recognized leader in the field of kinesiology and exercise science, is starting an important phase of recruitment. We invite applications for three tenure-track Faculty positions, two Assistant Professors and one Associate or Full Professor.

Responsibilities

The successful candidates will be expected to teach at the undergraduate and graduate levels, supervise Ph.D. and Master's students, pursue successful research programs, have a strong publication record, and contribute to the Department's activities. The research program of the successful applicants is expected to complement the work of other professors in the Department, in one of the following areas:

- exercise physiology,
- movement / behavioral neuroscience,
- biomechanics,
- physical activity promotion, health, and chronic disease prevention
- sport and health psychology,
- symptomatic / at risk populations (such as obesity, metabolic syndrome, adapted physical activities),
- exercise training and sports performance.

Requirements

- Ph.D. in kinesiology, exercise science, or an equivalent field,
- Experience in teaching / research in kinesiology, exercise science, or in a related field,
- An excellent publication record,
- Post-doctoral research training is an asset
- Proficiency in the French language *

Information about the position

Posting number	KIN 06-17 / 1
Deadline	September 1, 2017, inclusively.
Treatment	The Université de Montréal offers competitive salaries and a full range of benefits.
Starting date	January 1, 2018 or after.

Application

The application must include the following documents:

- a cover letter
- a detailed cv
- a copy of 3 peer-reviewed publications considered by the applicant to be the most important for this position
- three letters of reference sent directly by their author to the Director of the Department.

Applications and letters of recommendation must be sent to the Director of the Department of Kinesiology at the following address:

Mr. Luc Proteau, Director
Department of Kinesiology
Université de Montréal
C. P. 6128, Station Centre-ville Montréal, QC H3C 3J7

The application package and letters can also be sent electronically to the following address: luc.proteau@umontreal.ca

*** Language Policy:** *Université de Montréal is a Québec university with an international reputation. French is the language of instruction. To renew its teaching faculty, the University is intensively recruiting the world's best specialists. In accordance with the institution's language policy, Université de Montréal provides support for newly-recruited faculty to attain proficiency in French*

Confidentiality

The Université de Montréal application process allows all regular professors in the Department to have access to all documents unless the applicant explicitly states in her or his cover letter that access to the application should be limited to the selection committee. This restriction on accessibility will be lifted if the applicant is invited for an interview.

Equal Access Employment Program

Through its Equal Access Employment Program, Université de Montréal invites women, Aboriginal people, members of visible and ethnic minorities and persons with disabilities to submit their applications. During the recruitment process, our selection tools can be adapted to the specific needs of a person with disabilities, if requested. Rest assured of the confidentiality of this information.

Université de Montréal promotes inclusion and diversity of its staff and also encourages people of all sexual orientations and gender identities to apply.

Immigration Requirements

We invite all qualified candidates to apply at Université de Montréal. However, in accordance with the Canadian immigration requirements, please note that priority will be given to Canadian citizens and permanent residents.
